

FLOWER GIRL PROGRAM

***A comprehensive community service and social etiquette program
for young women in their senior year of high school***

Goal: To foster a lifelong commitment to helping others through community service; to promote an appreciation for social graces and etiquette; and to develop leadership, self-image and other character building skills for young women in our community.

Chandler Service Club members are mentors for each community service, educational and social event in which the participants have opportunities to experience, practice and enjoy the skills they have learned. These events include:
