

PROPER ATTIRE FOR FLOWER GIRL ACTIVITIES

Invitation into the Flower Girl program is a privilege and an honor. Throughout the year, you will be representing Chandler Service Club, as well as yourself and your family. First impressions are a reality, so how you dress and your personal appearance reveals a lot about who you are.

It is our goal to help you learn the appropriate way to present yourself in different types of social settings.

For each activity we will specify an **appropriate** manner of attire, as well as examples of **inappropriate** dress. A nice pair of black slacks and a black skirt will get you through the entire program. Do not feel that you must purchase a new outfit for every event. These are general guidelines:

Appropriate:

- Casual – Nice jeans, pants, capris or long shorts, along with Flower Girl polo shirt
- Dressy – Dress of appropriate length, nice slacks or skirt of appropriate length, with shirt, blouse or sweater.

Inappropriate:

- Casual – Frayed or ragged clothing, short shorts, short skirts or dresses
- Dressy – Denim and/or revealing clothing; rompers; strapless or spaghetti strap dresses; backless tops

Note: Clothing which reveals the midriff or undergarments will not be allowed. Please dress accordingly.

Piercings and/or Tattoos:

Shall not be visible during any Flower Girl event or activity, with the exception of pierced ears (no more than two holes per ear).

Note: These guidelines also apply to escorts attending Flower Girl events.
